Social networks are a privacy nightmare.
Someone (Yuri) was smart enough to create a "smartcard" that shows how you can easily change the settings to make your profile more secure.

Here are the PDF versions, so you can easily download and print them.

FaceBook smartcard

LinkedIn smartcard

:

Twitter smartcard

:

Google+ smartcard

:

They date out of 2011, so some settings have changed,
but the global picture is still the same.
